

Greenlight Gives is teaming up with **CASS** for their **Cool it! Heat Relief Drive** to reduce the number of heat-related deaths among individuals experiencing homelessness. **CASS** provides respite from the heat for nearly 600 veterans, men, women, youth, and children every day and night of the year, but needs the community's help more than ever in these summer months.

Last summer **CASS** handed out more than 200,000 bottles of water and would love your support in increasing that number this summer! This act of kindness helps save lives!
