Greenlight Communities, a Scottsdale-based real-estate developer dedicated to constructing attainable workforce rental housing, hosted a special groundbreaking ceremony for its 14th property, located at 33455 N. North Valley Parkway.

The community will be one of Greenlight's smaller projects, offering a more boutique rental experience with its 159 units. The project, set to commence leasing in October 2024, will feature 59 studios, 66 one bedrooms and 34 two bedrooms.
