Greenlight Communities hits \$100,000 in charitable giving

Valley-based Greenlight Communities has made it their mission to become the first privately funded real estate developer to focus solely on providing attainable rental housing to communities across Arizona.

Greenlight Communities' mission is taken a step further through their Greenlight Gives initiative, showing their commitment to community engagement, as they actively support charitable organizations in Arizona with the goal of ending homelessness.

Greenlight Communities is excited to announce a partnership with Save the Family Foundation Arizona for its most recent Greenlight Gives Initiative.

Save the Family is one of many organizations that has felt the helping hand of Greenlight Communities, which donated \$3,000 and over \$1,000 in in-kind donations to the non-profit organization this month, sponsoring a "Making a House a Home" drive to collect essential items for move-in kits. These kits are crucial to this contain essential items such as kitchen utensils, bedding and toiletries, offering a foundation for families to start anew.

To date Greenlight Communities has given over \$100,000 since starting its Greenlight Gives initiative in recent years.

Sundt Foundation awards \$300,000 in special grant cycle

The Sundt Foundation, the charitable giving arm of Sundt Construction, invited nonprofit organizations to apply for a special grant cycle to celebrate the Foundation's 25th anniversary. Later this summer, the Foundation will award 12 organizations across its giving areas with \$25,000 each, totaling \$300,000.
