(GREENLIGHT COMMUNITIES)

The Greenlight Gives campaign contributed over \$50,000 to various nonprofits in 2024.

Posted Tuesday, January 21, 2025 1:59 pm

Scottsdale-based workforce housing provider Greenlight Communities donated over \$50,000 to various nonprofits and philanthropic efforts in 2024 through its Greenlight Gives campaign, breaking its own annual record.

A multitude of Valley organizations received contributions from Greenlight Communities in 2024, including El Grito Phoenix, who received a donation to support its Mexican Independence Day celebration. A variety of organizations that assist and provide support to unhoused people in Arizona also received contributions from Greenlight, such as Save the Family, Central Arizona Shelter Services, House of Refuge and Saving Amy.

Greenlight also gave money to ONE Community and Lambda Legal, two organizations that provide support and resources for the LGBTQ+ community in Arizona. Other organizations that Greenlight supported include Lambda Alpha International, an economic development organization, the Arizona Humane Society, Phoenix Sister Cities and The Arouet Foundation, which provides resources for women to restart their lives after incarceration.

Since the Greenlight Gives campaign started in 2020, it has donated over \$200,000 to nonprofit organizations.
